

Health and Safety *Support Service*

Managing health and safety is an integral part of running a business.

Failure to manage health and safety effectively can have serious consequences and not only result in injury and ill health to your employees and damage your reputation, but also lead to heavy fines and imprisonment.

Our Service

Working in partnership with you, our Health and Safety Support Service is designed to help you improve overall business performance by developing clear and pragmatic solutions that work.

Based on the principles of ownership and involvement, our service is specifically designed to engage your workforce and help build a positive safety culture at all levels.

What we will do:

- Provide you with a dedicated health and safety consultant
- Give you access to expert support
- Offer clear, practical solutions to a problem
- Provide you with access to an on-line management portal that includes:
 - a statement of the company's commitment to health and safety
 - organisational responsibilities for implementing health and safety
 - arrangements for health and safety
 - a risk assessment toolkit
 - incident manager
 - employee safety handbook
 - information library
 - training manager
 - task manager
 - monitoring checklists
- Deliver a range of health and safety training courses
- Undertake regular reviews to facilitate continuous improvement
- Keep you up to date with any changes in legislation
- Assist you in dealings with the Enforcement Authorities
- Pay your legal representation costs in the event of a prosecution
