## Testimonials

### ISD Solutions (P&M Group)

*“Roger is a personable, helpful and knowledgeable man and posses the all-too rare ability to communicate with all levels in a business. He also provides advice in an uncomplicated way, translating what can sometimes be technical matters into understandable examples. He maintains a professional approach at all times and has developed a strong team of like-minded people - between them they can offer advice and solutions to a wide range of health & safety related topics. I would strongly recommend Roger and Outsource Safety should you have any such requirements.”*

We're proud to have worked alongside the team at ISD Solutions (The P&M Group) in assisting their implementation of an integrated management system (ISO9001 / ISO14001 / OHSAS18001). We were able to engage with staff at all levels in the organisation and each team has been fully supportive of the changes needed to implement best practices in quality, safety and environmental management.

If you have a requirement for an integrated management system we have great experience in the field and are more than happy to visit and discuss your specific needs and what support we provide for our other clients, please use the contact forms or call us directly on 01453 800100
