To Whom It May Concern:

I am writing to inform you that Ronnie A. Mapanoo was an active leader in Livelihood, Income-Generating, Health and Training (LIGHT) from 1993 to 2005 in Zambales province in the Philippines. He fulfilled various roles from municipal coordinator—who oversaw the work of transformational development in the municipality of Castillejos—and then as LIGHT’s executive director.

His leadership was instrumental in developing a micro-loan program in and through local churches in Castillejos.

If you have any questions, please do not hesitate to contact me.

Sincerely,
