To Whom It May Concern:

Subject: **Endorsement Letter for Mr. Ronnie Mapanoo and PECB**

BL Pangan Construction was granted an ISO 9001:2015 last July 09, 2018 which marks another milestone not only to the management system but also to the company as a developing construction business. Prior to the said certification, the Company's management system undergone a series of audits to ensure its commitment to quality. Mr. Ronnie Mapanoo, a credible Auditor from the distinguished Professional Evaluation and Certification Board (PECB), conducted the said audits. We commend Mr. Mapanoo for being understanding and professional at the same time. He was able to point out our weak areas that need improvement which in turn enables us to evaluate the quality of our existing product and services. Furthermore, Mr. Mapanoo also gave significance to continuous improvement that shall determine the longevity of the organization.

The certification bears both honor and responsibility, hence the Company commits to strive more in meeting and surpassing the needs and requirements of the industry we are in. The recent surveillance audit that was conducted to us by Mr. Mapanoo and PECB was very helpful in monitoring our commitment towards continuous improvement. With this being said, we look forward to more years of collaborations with Mr. Mapanoo and PECB.

Thank you and God speed.

Sincerely,

ENGR. BRAULIO L. PANGAN
Proprietor/General Manager
