Qualifications and  
Curriculum Authority

This certificate is issued by the City & Guilds Group which awards qualifications for City & Guilds, NPTC and the Institute of Leadership & Management (ILM).

City & Guilds was established in 1878 to encourage and assess education and training in and for the workplace, and we are the only vocational awarding body dedicated to qualifications across all sectors. Our qualifications are recognised by employers and educational establishments worldwide for providing evidence of the skills and knowledge required to meet the changing needs of the workplace.

City & Guilds certificates provide proof of vocational and related skills at all levels, progressing from entry level to our portfolio of Senior Awards, which offer an employment based route to degree and masters level qualifications.

Certificates bearing the QCA, SQA, ACCAC or CCEA logos are based on qualifications accredited by regulatory authorities in England, Scotland, Wales and Northern Ireland respectively.
