Watcheye Services Limited has signed up Comply at Work's Competent Person Service in October 2017.

We received professional support from Comply at Work in relation to several Health and Safety queries including risk assessment and lone working policy. Comply at Work has assisted us apply for Contractors Health and Safety Assessment Scheme (CHAS), which was successful within two working days! Such is the testimony of the quality of services at Comply at Work.

The quality of the support at Comply at Work gave us the confidence and the assurance that we are indeed complying with workplace Health and Safety.

We are currently seeking further training in relation to Fire Marshall, First Aid, and Health and Safety Awareness at work.

We chose Comply at Work because of the quality of its services and the high level expertise within its workforce. We would highly recommend Comply at Work for businesses, charities and organisations seeking Health and Safety advice and training.
