

To Whom it May Concern

20 July 2012

We have used Comply at Work Ltd as our competent resource for Health and Safety for over 12 months now and can highly recommend their services.

All queries are dealt with promptly and efficiently and the quality of the Health and Safety documentation they have produced has been of a very high standard, easy to understand and accurately reflects what our business does.

Comply at Work have undertaken fire risk assessments, site inspections, computer workstation assessments and have also assessed our Contractors for competence, all to a high standard.

We also find the regular updates and Bulletins on Health and Safety topics a valuable resource and find these ensure we are kept fully informed of any changes to legislation, as well as best practice.

Our engagement with Comply at Work Ltd greatly assists with our continuous improvement in all areas of Health and Safety and ensures that we remain competitive in our market.
