

To Whom It May Concern,

It is with great pleasure that we, at SAGARDI Basque Country Chefs Restaurant (SAGARDI UK Ltd – SAGARDI Group), provide this letter of recommendation for HSEF, who have acted as our trusted health and safety consultants since 2016. Over the years, HSEF has played a crucial role in ensuring that our business adheres to the highest standards of health and safety, providing invaluable support in fostering a secure and compliant working environment for both our staff and customers.

HSEF's professional expertise has been evident in the successful development and implementation of our Safety Management System. Their services have encompassed a wide range of critical safety functions, including employee inductions, the creation of fire response plans, CoSHH assessments, and risk assessments, all tailored to our specific requirements and designed to ensure the smooth operation of our business in full compliance with current regulations.

In addition, their assistance in formulating our food process flow chart, restaurant hygiene procedures, and the provision of continuous health and safety guidance has been exemplary. HSEF's ongoing commitment to keeping us informed of any changes to statutory legislation and UK law has been invaluable, ensuring we remain fully compliant with the ever-evolving legal landscape.

We wholeheartedly recommend HSEF to any organisation, regardless of industry, seeking expert health and safety consultancy. Their unparalleled knowledge, unwavering professionalism, and tailored approach make them an indispensable partner for any business dedicated to the health, safety, and well-being of their employees and customers.

Should you require any further information, please do not hesitate to contact us.

Yours faithfully,
